

# Lectures of Sir George Trevelyan

Edited by KEITH ARMSTRONG

To celebrate the centenary of Sir George Trevelyan, many of the wonderful lectures he gave over his lifetime are being collected together for publication. It would help us to establish a print run if we could know in advance how many would be interested in a copy.

The lectures will be grouped under the following headings:

NEW AGE  
ON DEATH AND BECOMING  
THE ARTS  
HERALDRY  
NATURE  
EDUCATION  
MEDITATION

The book will be about 200 pages, and the price of the paperback will not exceed £15. Casebound copies may also be made available at 50% extra. Publication will be in early 2007.

To register your interest, please send this form to the address below. You may also contact us via our website: [www.godstowpress.co.uk](http://www.godstowpress.co.uk).

I would be interested in buying a paperback/casebound copy (delete as appropriate) of *The Lectures of Sir George Trevelyan*.
